

PSYCLOUD: SCIENTIFIC COMPUTING IN THE CLOUD

JOSEPH ANTHONY CARABALLE HERMOCILLA

SUBMITTED TO THE FACULTY OF THE GRADUATE SCHOOL
UNIVERSITY OF THE PHILIPPINES LOS BANOS
IN PARTIAL FULFILLMENT OF THE
REQUIREMENTS FOR THE
DEGREE OF

DOCTOR OF PHILOSOPHY (BY RESEARCH)
(Computer Science)

April 2016

The thesis attached hereto, entitled “PSYCLOUD: SCIENTIFIC COMPUTING ON THE CLOUD” prepared and submitted by JOSEPH ANTHONY CARABALLE HERMOCILLA in partial fulfillment of the requirements for the degree of DOCTOR OF PHILOSOPHY BY RESEARCH (COMPUTER SCIENCE) is hereby accepted.

BIOGRAPHICAL SKETCH

The author was born on July 10, 1980 at barangay Malansad Nuevo, Libmanan Camarines Sur. He is the eldest son of Guido V. Hermocilla and Jovina V. Caraballe. During his childhood years, his friends and classmates called him Jo-An. In high school, he is known as Herms. Today, he known to his students as Sir JACH. He still prefers to be called by his first name, Joseph.

Joseph started elementary school at the Malansad Nuevo Elementary School where he studied until Grade 3. He then transferred to Naga Parochial School in Naga City where he completed his elementary education. He spent his high school years at the Jesuit-managed school, Ateneo de Naga University. He was admitted to the BS Forest Products Engineering curriculum at the University of the Philippines Los Banos in 1996. He transferred to BS Computer Science in 1998 and completed the degree in 2002.

At present, he is teaching at the Institute of Computer Science, College of Arts and Sciences, in UP Los Banos. Aside from teaching, he is also doing research in various fields of computer science, specifically in computer networks and distributed systems. His mission in life is to serve others and make them happy using the talents and gifts given to him by God.

JOSEPH ANTHONY CARABALLE HERMOCILLA

ACKNOWLEDGEMENT

I would like to thank the following for their support and inspiration.

Figure 1. Sample class offering data

The student priority is described below.

Table 1. Priority ordering

PRIORITY	DESCRIPTION
1	New Student (no record of any grade)
2	Graduating (24 units or less to earn in curriculum)
3	New Student (no record of any grade)
4	Failed (0-50%] of units last sem (status code 2 or 3)
5	Failed (50%,75%] of units, or on LOA last sem
6	Failed (75%-100%] of units last sem (status code 5 or 6)

RESULTS AND DISCUSSION

Some texts here...

Table 2. Statistics for solutions generated by the algorithms using 2nd Sem 2004.

ALGO	WRITE -IN	NO WRITE -IN	APL	NSF L	NSU	NSO	NSZ L	APCS	GTE15	LT15
